In addition to the fence project, discussion was held about a proposal from Botanica for an irrigation system audit, which would provide the District with the condition of the current irrigation system and suggestions for future improvements. It was decided that we would ask AlSCO Geyer if they would do something similar before going forward with Botanica's proposal.

- c) **DISCUSS CREEK LEVEE STABILIZATION** The General Manager reported that Wendy Krehbiel with the local National Resource Conservation Service (NRCS) office, and Lyle Thompson, an Engineer with the NRCS submitted a concept rendering of what is necessary to stabilize the creek bank behind the homes on Elmer Street. He noted he forwarded the drawings to California Engineering Corporation for an Engineers Estimate and costs for plans and specifications. Once he has those costs in hand he will be able to approach Fish and Game for permits and possible grant funds to do the project.

Motion made by:	Victor Zarate to send the drawings to CEC for Engineers Estimate	Motion seconded by:	Kimberly Valles

He noted that the drawing did not reflect a retaining wall at the end of the path where it meets Hillgate or pedestrian access to Hillgate. He noted that he would bring that to their attention and get another rendering.

## *CORTINA COMMUNITY SERVICES DISTRICT*

---

**TO: CORTINA BOARD OF DIRECTORS**

**MEETING DATE: OCTOBER 24, 2022**

**FROM: KARL DREXEL, GENERAL MANAGER**

**SUBJECT: BOARD ELECTIONS FILING**

---

### **BACKGROUND:**

The filing period is over for the three Board member seats that are open in the November election. The three seats open were Kimberley Valles, Victor Zarate and Jesika Johnson. Kimberley and Victor both submitted papers to run on the November ballot. However, the third seat did not have anyone file papers for the November election. Because there were only two candidates out of three seats, there will not be an election and those two will be appointed by the Board of Supervisors "In Lieu of Election". If the Board can find a candidate they approve of and who submits a letter of intent to the Board, the Board can submit a letter to the elections Clerk indicating they want to add this person to the BOS Agenda to appoint in Lieu of Election at their November meeting.

The Board has received a letter of Intent from Lacey Gimple from Reddington Ranch, which is attached. If the Board approves her appointment to the Board of Directors, we can submit the attached Letter of Approval to the BOS.

### **RECOMMENDATION:**

Staff recommends the Board approve the appointment of Lacey Gimple and direct the General Manager to submit a Letter of Approval to the Board of Supervisors.

To whom it may concern,

My name is Lacey Gimple, my family and I live in Arbuckle. Since we have moved into town about 5 years ago we started getting involved on day one. We enjoy the community we live in and believe it is important to give back and teach others to do the same.

I would like to be a Cortina Community Services District Director.

To: Colusa County Board of Supervisors

We, the Board of Directors of the Cortina Community Services District, recommend Lacey Gimple for the open four-year seat on our board that was created by only having two candidates register for the three open board seats on the November 8, 2022 ballot.

Lacey resides at \_\_\_\_\_ in Reddington Ranch, Arbuckle, CA 95912. As a homeowner in the district, she is qualified to sit on the board.

Please accept our recommendation to appoint Lacey Gimple to the Cortina Community Services District Board of Directors, in lieu of an election. .

---

**TO: CORTINA BOARD OF DIRECTORS**

**MEETING DATE: OCTOBER 24, 2022**

**FROM: KARL DREXEL, GENERAL MANAGER**

**SUBJECT: DISCUSS POLICE AND FIRE ASSESSMENTS**

---

### **BACKGROUND:**

When the Cortina Community Services District was formed by the Board of Supervisors in 2006, a temporary Community Facilities District was formed at the same time as a temporary funding mechanism until the developments were built out and the Arbuckle Fire Department and the Colusa County Sherriff's Office were getting their full allotment of the 1% property tax. That time is near. The Board has charged me to look into eliminating the Community Facilities District and removing the latent powers of the Cortina CSD providing police and fire services.

We invited our County Supervisor and the County Administrator to a recent meeting and discussed the plans to eliminate the CFD. Although they were not happy, the consensus was that the Board of the CSD can in fact eliminate the temporary funding mechanism. I have been in contact with the District's attorney and am working on a letter to LAFCo to initiate tis process.

### **RECOMMENDATION:**

No action necessary. Nothing new to add.

## *CORTINA COMMUNITY SERVICES DISTRICT*

**TO: CORTINA BOARD OF DIRECTORS**

**MEETING DATE: OCTOBER 24, 2022**

**FROM: KARL DREXEL, GENERAL MANAGER**

**SUBJECT: DISCUSS FENCE AND MAINTENANCE ISSUES**

---

### **BACKGROUND:**

The selected contractor to do the fence repairs on Kimberley Court and Gary Court has already begun work on them. Attached are some pictures Victor took of the work in progress.

Additionally, as was discussed at the last meeting Botanica proposed to do an Irrigation Audit to determine the condition of the existing irrigation system and suggest ideas to eliminate the continual damage we are having to repair. It was decided to contact Alsco Geyer to see if they would be willing to do the same thing and get another opinion. Rod met with them, and they declined to submit a proposal. I think there might be something else we can do regarding the actual material being used, like using hard plastic or galvanized pipes in order to eliminate the constant repairs to the drip system, but we don't know the real condition of our system, and won't until we get an irrigation audit.

### **RECOMMENDATION:**

Staff recommends the Board approve the Irrigation Audit by Botanica and then have a discussion on next steps.

## PROPOSAL

---

### IRRIGATION AUDIT

We recommend a thorough irrigation audit of both properties. This audit is much more extensive than the irrigation check included in our contract. This audit is led by our most seasoned irrigation tech, who has over ten years of experience working on irrigation systems for various municipalities. He has worked for Botanica for over 20 years.

The audit is a complete check of the operations of the entire system. Two techs work on it together, one is at the controller and the other is at the sprinkler/emitter/bubbler. The valves are also all checked.

After, you will receive a full written report, station by station with our diagnosis and recommendation. Then the board is able to make some educated decisions about what should be repaired first, and we can have a plan, instead of continuing to chase leaks around.

We estimate this audit of both properties will take two techs all day.

**TOTAL COST LABOR AND MATERIALS..... \$1,200.00**
